CONSCIOUSNESS

“We can only understand things we are conscious of. Dogs hear more, and cats see more - so it makes sense that there *is* more”.

This eight-week course is about what that *more* might be. It is presented by Nicholas Vesey, Spiritual Leader at Aspen Chapel. Drawing on modern consciousness-raising techniques, as well as the wisdom of the Christian Mystics and others, the course aims to facilitate an experience that everyone can contribute to and draw knowledge from.
