

# Character Building for Kids

**What is it that builds character?  
Nature? Nurture? Learning? Role Models?**

**Over 15 weeks we will be running an  
after school club unique in the Roaring Fork Valley.**

**Mattie Stepanek • Dalai Lama • Malala • Anne Frank • Sacagawea**

We will be looking at 5 people who have lived strong, powerful and contributing lives, and asking what can be learned from their stories.

We will look at their backgrounds, beliefs, lifestyles and characters in an attempt to allow the children to discover for themselves what traits are important to them.

It will be a voyage of discovery about what makes a life worthwhile.

Activities include stories, movement, creative activities, discussion, self reflection and opportunities for community service.

**Open to all children grades Kindergarten – 8th grade  
“Tuesday School” meets at Aspen Chapel**

Meets Tuesdays December 2, 2015 - March 22, 2016 from 3:30 - 5:00
