*Hymn*

This is my song O God of all the nations  
A song of peace for lands afar and mine  
This is my home the country where my heart is  
Here are my hopes my dreams my holy shrine  
But other hearts in other lands are beating  
With hopes and dreams as true and high as mine

My country's skies are bluer than the ocean  
And sunlight beams on cloverleaf and pine  
But other lands have sunlight too and clover  
And skies are everywhere as blue as mine  
O hear my song Thou God of all nations  
A song of peace for their land and for mine

This is my prayer O Lord of all earth's kingdoms  
Thy kingdom come on earth Thy will be done  
Let Christ be lifted up till all shall serve Him  
And hearts united learn to live as one  
O hear my prayer Thou God of all nations  
Myself I give Thee let Thy will be done

*Introduction*

*Hymn*

Now thank we all our God  
with heart and hands and voices,  
who wondrous things has done,  
in whom his world rejoices;  
who from our mothers' arms  
has blessed us on our way  
with countless gifts of love,  
and still is ours today.

O may this bounteous God  
through all our life be near us,  
with ever joyful hearts  
and blessed peace to cheer us,  
to keep us in his grace,  
and guide us when perplexed,  
and free us from all ills  
of this world in the next.

All praise and thanks to God  
the Father now be given,  
the Son and Spirit blest,  
who reign in highest heaven  
the one eternal God,  
whom heaven and earth adore;  
for thus it was, is now,  
and shall be evermore.

*Affirmation*

**I am aware of myself.**

**I am aware of my mind, my thoughts and the way that I am thinking about the world.**

**I am aware of my body, the way that I feel: my emotions, my pain and my joy.**

**I am aware this space around me. Of my presence in this space, and the space's presence in me.**

**I am aware of those people around me, their needs, their presence, their ability to contribute to me, and my ability to contribute to them.**

**I respect our relationship and the perfection of being in this space at this time.**

**I am aware of being a part of one whole, alongside all those here with me, and all that is around me.**

**I am mindful of the Grand Presence that holds everything together, that gives us life and sustains all within its being.**

**I commit to making my contribution**
